Embracing Life

Welcome to Hope Aged Care, embracing life with commitment and care. For 30 years, we have provided the highest quality care for Victoria's aged care community. Our philosophy is that all residents continue to live a fulfilling and purposeful life,

maintaining their position and role within their family and community.

Nestled in the quiet and peaceful streets of Brunswick, Gladstone Park and Sunshine West, our 3 fully accredited aged care homes aim to reflect the surrounding community whilst also embracing every resident's own needs and wishes. Under the banner of Hope Aged Care, each home has an individual name to properly reflect the location and wonderful uniqueness of each facility.

In addition to each providing a comfortable and relaxing environment, our facilities at Brunswick and Gladstone Park also have secure

dementia wards, with a specialised 'Outdoor Walkway'. Featuring beautiful soft music to accompany the pictures along the path, these outdoor walkways allow for a relaxing environment and experience for both residents and their families.

As part of our commitment to quality care, our staff speak a variety of languages including Greek, Italian, Arabic, Chinese and English. Regular hairdressing, music therapy, movie nights and physiotherapy/massage programs are also offered to all residents. Consulting rooms are available for visiting doctors and physiotherapists as well as other allied health services.

For further information please visit us at www.hopeagedcare.com.au
